FAITH LEADERS COMMITTEE

"Changing the Culture of Violence in America"

"Midterm Votes Matter"

September 1, 2022

Dear Faith Leader,

This letter is an invitation to Faith Leaders, to come together—bypassing titles and denominations-- to develop and increase hope and faith-based opportunities. I am writing you on behalf of Black Women for Positive Change, a multi-cultural, interfaith, intergenerational network of predominately Black women and Good Brothers. We are inviting you to join us for the 11th Annual Month of Non-Violence, Families, Voting Rights and Opportunities, October 1-31, 2022, a non-partisan effort.

Prayerfully, we can co-sign with the words of Dr. Martin Luther King Jr. that the Arc of the Universe is expansive, but it always moves back toward justice. We all know it takes the hand of God upon us to have the courage and the strength to move towards that Arc, so all of humanity can benefit. Today, we are witnesses to the problems surrounding us including morality deficits, income inequality, voter suppression, domestic terrorism and violence, both within and without our own communities,

Yet, we are not without hope--in fact, we are hope-filled vessels, who know we have come this far by faith in God and will continually be victorious in Him. Today the risk is high because we are witnessing extremist evangelicals who are boldly supporting voter oppression and openly working for candidates, who will oppress millions of Americans. Nevertheless, we know our weapons are not carnal, but spiritual and can pull down regressive anti-humane strongholds. You recall the question raised in Isaiah, Who do we send? Let the answer be: God send me. send us.

We hope you will join our efforts to promote voting, and to oppose and prevent violence during the 11th Annual Month of Non-Violence and Voting Rights. Please join our efforts by mobilizing your Faith Community. Please email or fax the attached Sign-Up Sheet to Bkwomen4poschange@gmail.com, send by fax to 202-403-3743; or sign up on the Internet at: <https://monthofnonviolence.org/faith-leader-signup/>

Thank you.
